

## **ADDENDUM #2**

### **RFP-2020-DBH-03-BEHAV**

#### **Behavioral Health Crisis Treatment Center or Mobile Crisis Response Team**

On September 17, 2019, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting the development and operation of a Behavioral Health Crisis Treatment Center (BHCTC) or a Mobile Crisis Response Team (MCRT) and apartments for the provision of crisis treatment services to minors (from birth through age seventeen (17)) and/or adults in areas of the State that are currently underserved for such services.

The Department is publishing this addendum to:

- 1. Delete and replace Section 3, Statement of Work, Subsection 3.2, Scope of Services, Paragraph 3.2.3, Subparagraph 3.2.3.8, Part 3.2.3.8.2 with the following:**
  - 3.2.3.8.2 Document the intensity, duration, and location of services needed to ensure the immediate needs of the individual in crisis are met in a timely fashion through appropriate service needs.
- 2. Delete and replace Q3 with the following:**

Q3 Demonstrate how the region(s) is underserved and how you will fulfill the need in your region(s) for these services. Include, at a minimum, data to demonstrate how the region is underserved such as, but not limited to current crisis response system, current capacity to meet the demand for crisis treatment, demographic factors, and high use of emergency department for mental health reasons for individuals.
- 3. Delete and replace Section 4, Finance, Subsection 4.1, Financial Standards, Paragraph 4.1.4, Start-Up Costs, Subparagraph 4.1.4.1 with the following:**
  - 4.1.4.1. If the selected Vendor seeks funding to support start-up costs, the selected Vendor must develop a start-up budget for reimbursement of costs associated with the start-up period that begins upon contract approval and submit with their proposal. Start-up funding cannot be used to reimburse the Vendor for costs that are eligible for payment under Paragraph 4.1.3.
